

Fair "Fensterbau Frontale" 2018 in Nürnberg

We would like to thank all of our customers and suppliers for visiting us in our production plant in Leutershausen and on the fair in Nürnberg!

As a tradition, we had our come together in our factory, the day before the fair started. Guests from all over Europe came to have a look behind the scenes and learn more about Münchingers production.

At the end of the day we had a nice dinner together and took the opportunity, to discuss and reflect the market situation with our business friends.
