## MÜNCHINGER Racing Tour 2016

## It was a fab weekend!

By end of September, the Münchinger team has invited, their regional business friends, for the first time, to spend a **bike- and gourmet weekend**, in our region, located in the heart of the Black Forest.

Two days filled with culture, sports, wine and lots of fun, brought real pleasure to us and we are looking forward to continue such an event with you, dear friends of Münchinger, in 2017!

We hope to see not only the regional friends, but all of you next year, when the "Münchinger racing team" takes a new start !

All the best and keep in shape ! : )
